The One You Are

Now I am running from the dark And I am out of my day And I'm out of my time Now I'm turning back to my steps I see again I can see you

Fear is in my mind And I'm holding back my tears

Tell me save me Why can't you hear me Can't you see Tell me believe in me Don't you hear me Then set me free

After so many years of faith I am the only one to blame I can be sure you won't forget the past I can see in my eyes your will

Bleeding in my mind Like a killing memory

Tell me save me Why can't you hear me Can't you see Tell me believe in me Don't you hear me Then set me free I never understand I feel the wind in my dreams I never realize I feel the blood in my veins I wanna talk to you there is no place for me now I wanna ask to you your heart is made of steel

No don't cry for me No one knows my pain I would die for you to be your friend
