

## Socialized Death Sentence

Dystopia

I am just a fucking slave  
Bust my ass for minimum wage  
Before im paid...  
The system comes and takes half away...  
For bombs someday  
My boss hates my fucking guts  
I was never good enough  
If im injured on the job  
He'll say tough luck  
He'll find someone else to fuck  
My job... my life  
Landlords pissed, rent is due  
Haven't worked in a few  
I don't pay i get evicted  
Im fucking screwed  
What am i suppose to do  
Each day... i die  
Your..... your job sucks  
The system fucks  
A timeclock head...im dead  
Employed... mind void  
Destroyed... can't avoid  
I try... to survive  
...losing...  
Work work  
Socialized death sentence  
System system  
Fucked all around  
Work work  
Like taking cyanide  
System system  
Washing it down...  
And i die again tomorrow...  
When i wake up
