

No Sleep

DZ Deathrays

No sleep 'till you pass, now you got to
(no sleep this time)
Motherfucker, say, I don't wanna back now.
No second chances will be hiding in the background.
(no sleep this time)
The only thing you got to do is keep your head down.

You say you wanna, you want it all,
You're back in future, but he won't call.
You want a future? Forget your past.
Well, I got something more for you to answer for
24 hours and I'm lying on the kitchen floor.
You wanna use me? Well, use me fast.

No sleep 'till you pass, now you got to
(no sleep this time)
Motherfucker, say, I don't wanna back now.
No second chances will be hiding in the background.
(no sleep this time)
The only thing you got to do is keep your head down.

Keep both your eyes light up, is used for an brent up,
You think that is old and done? I don't think I'm old
And I'm lying on the kitchen floor, lying on the
kitchen floor.
Keep both your eyes light up, is used for an brent up,
You think that is old and done? I don't think I'm old
And I'm lying on the kitchen floor, lying on the
kitchen floor.

No sleep 'till you pass, now you got to
(no sleep this time)
Motherfucker, say, I don't wanna back now.
No second chances will be hiding in the background.
(no sleep this time)
The only thing you got to do is keep your head down.
