

Doin too much (too much), seven much (too much)  
Don't you know that I'm the one  
You can't get nothin over on me  
Doin too much (too much), way too much (too much)  
You doin too much - I'm the one

I see you over there peepin a player out from hella far away  
Tryin to get with some of this here mackin  
Apparently you ain't tryin hard enough cause if you was  
you woulda been made your way over here to the V.I.P. with us  
Where yo' man at? What's the matter with that clown  
leavin a sharp-ass lil' broad like you up in here with all us players?  
Hopefully you up in here with some of yo' friends, so some of my friends  
can get with some of yo' friends and turn it into somethin  
I'M - fin' to walk over here to the bar and get the bartender  
to mix me one of my customized drinks without the blender  
Get everybody up in the club up in here off the numb-numb juice  
Vodka, 7-Up, and cran-apple juice (eww)  
The ladies outnumber the fellas six-to-one  
And me and my fellas up in here like good one pimp, we all won  
The pretty ones in here are hot like a dog in heat  
Touchin they toes, backin it up, and dancin like a freak

MAN! I'm over here on super-purp' (super-purp')  
Up in the club hollerin at somebody else's work  
Yeah pimpin I'm up on all the slang that you make up  
But I believe you stay about your marbles and be about your bacon  
Youse a player about yours and I'm sensin and smellin  
that youse one of them sharp-ass lil' sisters huh?  
Might even want you to be my baby, maybe ma  
Speakin upon my baby ma, here she comes  
And she hoodrat, hoodrat, hoochie momma  
Same ol', same ol', dry-ass drama (drama)  
Comin up in my face about the, child support  
Talkin about, takin me to court (to court)

Eww eww eww, takin me to court, can't work me  
Most of these hoes be mo' full of shit than a Christmas turkey

Well alright ho  
Boss mo', player hater hater my noggin  
D-Boy, people swear up and down I'm a rocker  
But I'm a soil block turf hog built for battle  
15's in the trunk, like a snake they rattle  
Leave skid marks all on the gravel  
Drivin like a bat outta hell to the hotel  
Bounce roll rock skate side to side  
Baby got the gin and the Astroglade (and the Astroglade)  
I hopin that the jimmy don't bust  
while I thrust much cush gush knock boots with lust  
Swish swush loose nuts drop juice drip stuff  
One two three fo' five six seven much!

Baby baby baby baby you doin too much (and all the fellas say)  
Ah la la la la, la la (and all the ladies say)  
Ohh la la la la, la la (and all the fellas say)  
Ohh la la la la, la la (and all the ladies say)

Ohh la la la la, la la (and all the fellas say)  
Ohh la la la la, la la (and all the ladies say)  
[fades out]
