A breath of fresh air
Yea live life to the fullest my dude (live life)

Living life to the fullest enjoying every moment
Every second every breath till my death
Wondering if I'll get anytime to repent before he lay me to rest
It's that hard I'm slippin to put some hair on ya chest
Sippin it with my family as we laugh and reminisce
I ain't above you I anit below you I'm right beside you
I love you that's on the bible
Slapping bones and plan fo push up on some chedda
Yelling out 3's switching bitches still ella and della
The umbrella sick with it baby one of a kind
Ain't no nigga on the block selling rock like mine
Every rhyme on time I bring the real ones out
45s fo the ones that poke em dead in the mouth
I done been down south hold up with scrooge
Pushin house with the pinky nigga what we going do
I'm everywhere baby I be full of me
Feels good, when it's good around the family tree
