

# All My Niggaz

E-40

All my niggas really want the money  
We don't want nothing else nigga I promise  
All my niggas really want the money  
All my niggas really want the money

All we want is the money  
The Mozzarella Galbani  
I got more guns than the army  
Can't let no bitch nigga harm me  
I got that purple like Barney  
I got two bitches that's horny  
They say they niggas is corny  
They never there and they lonely  
They bought a bottle of 'trony  
And now they ready to blow me  
If you know me you owe me  
That's what I told her for sho'  
I'm a mac just like Goldie  
Me and my cronies and brodies  
Rollies and stogies stay with the fifties and forties  
That's us if you smell smoke  
Cookies the antidote  
Puffing that rope-a-dope  
My partner's they kinfolk  
They rap and they sell coke  
Bust ya head like a cantaloupe  
In the summer a peacoat  
My iPhone is jailbroke  
Leaning like the Tower of Pisa  
Promethazina  
Sweatin' like we under a heater  
It's hot in here  
All them suckers that's talking crazy  
They not in here  
Never tell my right ear what my left ear hear

I'm up before the sun up, the work it be uncut  
I break it in pieces and tell your auntie to run up  
Shooters keep guns up, snitches get tounques cut  
Talk to the peoples, and get your daughters and sons touched  
I'm up in the chevy, we bangin blow job Betty  
I just whip up a 80, so hit my phone when you're ready  
Turkey bag of the loud, we ain't fuckin with reggie  
Trump the trailer with pounds and touchdown out the So c'mon! About to hit a  
nother Lick  
'Bout a 150 bucks, for that tax on every zip  
Girl, I got bottles of that lean, tax on every sip  
Cause they got the Qualitest and I got the Actavis  
So Im rollin' (rollin'), thizzin' off that molly  
Stuntin' (Stuntin'), no hands on the Ducati  
My big homie E-40 put me on the Carlos Rossi  
I stay younger than the muscle  
Got the gang from Charlie hustle

Pockets will advance, clear the room  
If the bitch ain't with the shit, then your boy don't approve  
See, Hennessy, Bacardi turns the party

Backwoods pre-rolled, club get foggy  
Niggas mean muggin', well leap then froggy  
Though I see why you mad, her ass applauding  
That's your bitch, she flip like dolphins  
We gon' work out and bounce the bed springs  
No credit cards, just debit and large cash  
And a real big bag, smell like a forest  
I used to sell weight 'til gastric bypass  
Pass with a Mac that smack your car glass  
Addicted to ballin', no Timbs, ate Wheaties  
Learn from Doo Dog, he taught big gritty  
King East Bay, E-40, boss leany  
Money all there, your money Houdini
