

Click about it mayne, everything we do is click about it  
We started this shit, and we still in this shit  
And we prob'ly gon' end up endin this shit

Y'all must a forgot!

The first rappers to talk about triple beans and gumbo pots  
Movin the block like Pedro, ridin around in a lexus  
Really from the shit (shit), Still with d shit (shit)  
Good with d fist (fist), and with d wrist  
Game sick (sick), cold (cold), first rap album to go gold  
Damn it mayne, we made it 700, 000 sold (sold)  
Independently, without the major vendors (major vendors)  
Grass root from the soil, underground like prince  
It's a brand new day, same old diva  
Easy to spot, like the spots on a cheetah  
Everything I touch, I'm a win, know it  
Suga T, dahida, bahida, blow it  
Hey (hey), don't I look pretty  
Street smart, straight from the turf, still griddy  
Range Rover (uh), sittin on the brawn  
If you got enough gouda I can be yo baby ma

Everything is just click about it, click about it, click about it  
Everything is just click about it, click about it, click about it  
Everything is just click about it, click about it, click about it  
Everything is just click about it, click about it, click about it

I step to it, with the 4 sever rich nigga  
Ya'll mirror me shot call a big hitta  
I'm jus like the gas that fuse the pump  
To all my bitches I bash d cunt  
Ain't nuttin change from the boss you knew  
Anything you heard is prob'ly true  
I'm offline, online, still on d grind  
Playa I ain't neva scared to speak to ma mind  
I'm on d same old gang, game of saffs  
Flow from death row, same old gas  
You ain't gotta ask what d boys have  
8's on d Chevy but it's filled with rims  
I eat my veggies, greens and corn  
Knock prostitutes, fuck bitches and porn  
To do some sworn in, if you wid it I'm back  
Everything I do, I'm sick wid and about it

Everything is just click about it, click about it, click about it  
Everything is just click about it, click about it, click about it  
Everything is just click about it, click about it, click about it  
Everything is just click about it, click about it, click about it

Money invested, money investing  
The beat is sick, so the click had to inject it  
We in the venue, we on a case  
Any problems boy, they can get erased  
My pain is new, the cut is classic  
Tami nice but we still go extra mannish  
My fist is sharp, my spit is gassy  
Feel d base, cause my click is everlastin

Everything is just click about it, click about it, click about it  
Everything is just click about it, click about it, click about it  
Everything is just click about it, click about it, click about it  
Everything is just click about it, click about it, click about it
