

(Ballin') Got a blunt rolled, full of OG
Double lean cup, can't catch me
Grey Goose to the face, and I'm 'bout to go up into space
Like a countdown
3, 2, 1 I'm gone
3, 2, 1 I'm gone
Like a countdown
3, 2, 1 I'm gone
3, 2, 1 I'm gone

3, 2, 1 I'm gone (Outta here)
My screen cracked on my phone (Thug)
They try to for close my home (Take it)
Knock on my bank or somethin' (I'm back)
Take baby steps, stay safe (Longevity)
Legends ain't built in a day (Work)
Quarter platinum plaques in the hallway (Money)
Not Frank Sinatra but I did it my way (mine)
Cut the top off the coupe that's surgery (serious)
Must be blind deaf dumb if you ain't heard of me
Versace versace I did that in the 90's
With Big Face crown on my wrist (rolex)
Finish face designer necklace (correy?)
The chubby nigga but I'm dope (saucy)
You can't see me with a telescope (boss)

I keep it straight like a band too
I keep it straight like 12: 30
I fuck over your bitch hair dew
If its curly I straighten if its straight then I leave it curly
I use baking soda for the recipe
If you messing with me you get an extra key
And if I wasn't an only child
My parents would have had an Comma, zero-zero-zero-comma-zero-zero-zero
Got dinero on dinero man dope boys' is my hero
I got jewelry like a Pharaoh
I still get it for the hello
Its hard for me to let go and its hard for me to drive
Gettin head gettin high man I make that pussy echo
Known for hit and runs so I hope you got that gecko
Put it in yo muthafuckin face like a freckle
