E-40

Ay 40 mayne

I seen one of yo' hoes last night mayne, she was just uhh.. (mm-hmm)  
she was tryin to give that ass away for free mayne!  
Whatchu gon' do? (Aight, I'ma tell you like this)

It's like dis

Just point out the target and I'll bet some cash I can't miss  
This nigga done started cause I got some ass from his bitch  
More broken than hearted, fool on the HILL over this  
but I'm just as retarded, I act a FOOL UP IN THIS BITCH  
The reason why she departed, cause she was tired of gettin dissed  
Dotted and darted all in her eyes like this  
But that ain't my business, I keep my game universal  
and leave that ol' (??) around shit up to them squares like Urkel  
It's too many lobsters up in the ocean, big pimps  
but not enough mobsters breakin them in, big pimps  
Tellin 40 done taught us how to beginnnnnn  
Pull a bitch off the streets and real her innnnnnn  
to my sable, but e'rybody ain't able  
Now she's a call girl, dancin on the table  
Sound like somethin Icerberg Slim woulda said (tell me)  
The bigger the pimp (the bigger) the longer the bread (the longer)

Keep pimpin (40-Water) keep pimpin..

Keep pimpin, keep pimpin (the bigger the pimp, the longer the bread)

Keep pimpin (40-Water) keep pimpin (yes your honor)

Keep pimpin, keep pimpin (the bigger the pimp, the longer the bread)

She looked at her reflection in the mirror (in the mirror)  
Told herself,

"From this day here ain't NAR a nigga pumpin fear  
Took all I can, but I can't take no mo', enough  
Yesternight I got my ass slapped up kinda tough  
Got me lookin like a rainbow (a rainbow)  
Black eyes, aches and pains, bruises purple and yellow  
But I forgive and forget cause it's all gravy (that's right)  
I used to fuck for free but now I'm gettin money lately"

Big-ass dookie mayne, big-ass breasts  
but the bitch got more miles on her, than Southwest  
You can HAVE that hoe mayne, but nigga please  
is that any kind of broad you want to make yo' main squeeze?  
The mental, be timin and thinkin hairy  
All kind of cracks and crevice  
Makin cranny, man the bitch don't even wear no panties  
Sound like somethin Dolemite woulda said  
The bigger the pimpin, the longer the bread, beotch!

I take seven switch-a-bitches put 'em in a line  
Put 'em on the hoe stroll and make 'em work for mine  
Take a mud duck, turn her into gold  
Make her sell her ass up in the North Pole  
From Lebanon, to Yugoslavia  
From Petersberg, to Nova Scot-ia  
I got niggaz in 'Sace suits, trickin big  
Timers in 'gator boots, givin in

Justice, corporate executives  
Athletes, cause they respect a bitch  
Man you'd be surprised how many niggaz love to pay for pussy  
Niggaz cheat on they wives and jack up all they fuckin money man  
I be givin my hoes, bonuses and benefits  
Boat cruises and Kamal outfits  
Latex to keep their health a good  
Checkups at Planned Parenthood (that's it)  
Best run witcha pimp, yes your honor
