Somebody got shot today, & everybody knows who did it
It's east to kill a man but its harder to live with it
Karma used to take three years but now it only take thirty minutes
The victims family shed they tears Memorial Day they go to visit
The grave site the rest of the place were the family members layn

Im on the line with my relative she crying
She said "He might not come when you call him
But he always right on time" I Said "Thats old people talk"
She said "them old people ain't lieing" I was in church in
the other day & all i put was a dime .
A dime?
Yep, a dime triple times i got breaded back today just enough to spend
But in a whole other way my income tax came in

I said im saved ain't nothing to be ashamed
we all in the same boat but God is in the blessing game
The majority of us is broke we all going threw some thangs
You gotta pray & hold onto your hope like a hub cap
In the fast lane

It don't matter what your going through
Trust in God & he will see you through . Oh
If you ain't got no money if you don't have no gas
If your in a relationship & seem like it ain't gonna last
Let go and let God, let go and let God, let go and let God, let go and let G

Let him fight your battles Mmmmmmm

Sometimes you got to moan Hmmmmmm .
& This what i like to say Oh oh oh oh oh oh oh oh oh oh ohh .

If your in front of the judge, just let go and let God
