Saying I'm just saying I ain't playin'  
I'm over the stove

I'm in this rap game dope game tired pushing cocaine  
Hoping I'm a blow mane one day someday  
Suckers in my mix mane he say she say  
Dress up like a bitch mane all day errday  
Selling promethazine hopping weed crystal meth and bricks  
Independent rappers dealing with radio politics  
After parties merchandises shows and verse licks  
Internet and type of twitting try'na strike ya rich  
Fussing with my broad cause I ain't got a jaw  
I ain't hittin' them draws she calling me a dog  
Grabbing and complaining like she goin through menopause  
Breaking out my window for scratching up my calls  
I ain't got time for this shit I'm way to silent for this  
I got money to get I'm bout to find this bitch  
I'm on parole, the government got my soul they want me back in the beam  
To shoot a practice scoop the toilet bowl  
BEOTCH!

Over the stove in the kitchen cooking cha cha  
With a pickle jar and a pot of boiling watta  
Add a smiting west and a 30 ground chabba  
Man I like a nigga who lode it down with this pow pow  
I can do whatever I got to do to make it through  
Cause if this rap shit don't work mane I'm telling you  
I got mouths to feed filthy and hella bills to pay  
And I be legal myself my nigga this nigga on his way  
And ain't nobody goin put my hustle to a holt  
I'm try'na climb up the rope and were going way up to the top  
I got bars for days I'm dope in the studio line stump  
Can't let em sink my boat because they'll jealousy a plot  
I'm hella hungry and I'm starving and I'm thirsty  
Pimpin' my money so funny it's telling jokes about me  
If I ever catch a brick I'll buy a real-itive  
I want the fame the cars the feddy and the jewelry  
BEOTCH!

I'm over the stove

I'm a one dollar near fanalited hopefully one day in the future I'm a be a c  
ash cow  
Kick back and watch my money pile  
But until that day arrives I'm a hustle till I rise till I blossom  
And in the back in they mind they know that I'm a problem  
And once I get on this snow man I'm a stay on my birthmark  
Long as I play my position to play my part, I'm smart  
And I'm a stick with the slang ward that I had before, if I make it  
Fuck a video ho she was down when I was foe, can't fake it  
I been rapping my ass off man I'm a mess, a mess  
When I gone they goin be saying I was the best, the best  
That ever did it and got away with it, living a halfway with it  
In and out like the burgers  
See the po-po will let'chu walk wherever as long as it's no murder  
Long as it's no witness  
Keep a low profile stay lowkey they goin get off in yo business  
Fake it till I make it, man I ain't even got krump  
If I look like I got some money ain't nobody goin wanna give me none  
BEETCH!

If they don't give my ass a job (over the stove)  
I'll advice street knowledge (over the stove)  
If they don't slip my ass to college (over the stove)
