See ya bitch choosin', turnt up  
My niggas got the cookies, burn up  
Pull up to the function in a Porsche truck  
Water get to it, don't play games  
Get in a bitch brain like a migraine  
Beat the thing up and beat it out the frame  
Legs spread open like a chicken wing (40!)

Me and my niggas all up in the function, gettin' turnt up  
Got a bad bitch poppin' that ass, gettin' fucked up  
Saw a bad bitch, had to get up on it  
Had a couple friends smokin' on some marijuana  
The way she poppin' that pussy, I think she really want it  
You don't need a credit check, I'll be your lawyer

No marriage, I'm Kevin Ware, I do not get on my knee

Back at it, never left, straight A with it, no F  
Blowin' killer, I'm stressed, get it then make a mess  
Then clean them jeans, make her not fiend (oh yeah!)
