Growing up in that new thang that Louboutin truck
Hella pea in that butter they say I play too much
I see more keys than a Janitor pack more tools than a carpenter
Your bitch want me in her mouth like I'm a throat lozengers
We fucked on her mama's couch nothing proper
Ratchet little chick I let her slobber
I proposed to my street sign when I was 9
I don't see her as much as I used to but she still mine
I am the ghetto what you thought rewind
Bitch my ghetto past can never be declined
Fuckin with it I'm in it to win it like it's the pin it skys the limit
