A baby Syria, Kuwait  
Hanarum drums that look jus like a curled up snake  
Chances are, you won't survive if you fake  
They make yo car look like a milk crate  
Bla-ba-bla-ba-bla, ke-ke-ke-ke-ke-ke  
Boo-boo-bloo-bloo, du-du-du-du-du-du  
In New York they got subways, out here we got bark  
Out here they knock you down in front of Walmart  
Its thow, these youngstas crazy  
Born in da 90's thousands, chemical babies  
Some about they allowance, some ain't about shit  
Catch you off size, outta bounds, an put the gun at yo leg  
In d projects, in d flat lands, an d inner city  
It's drug infested an gritty, polluted, shitty, pissy  
Rob they kin folk for a brick, turn on em like a pit  
Beat a homey up cause they say snitch  
(Bitch!)

I keep it coming filtrating in the gucci car  
My gus got chop sticks like a sushi bar  
All these your babies say damn how cute you are  
I say fuck you bitches but she say how rude you are  
I'm in this project cut trying sell me some  
I hope my caliplow tryna mail me some  
Maybe a brick maybe some pills or a bell or summ'n  
I need this brick cologne on cause I reek of money  
I got a gold toothbrush, brush my teeth with money  
I'm in the project with the will I have a hunny  
In the colors, engine running, only God can judge mi  
Is the land of dictation ain't open for discussion  
Remember 1994 it was hella ugly  
Fourteen years old found fellascrubmi  
Christmas can't even get shit so I readjusted  
You eva told on ma nigga you can't tell mi nuttin  
Its Gucci

Workin on ma project window (project window)  
Am breaking everything down in the trap slow (trap slow)  
Smoking on that kush from California (OG  
I'm cooling in the bay with the grower (with the grower)  
If you don't have respect in the projects (in the projects)  
Then you can never come to the projects (the brick)  
You need money and power or you gettin stretch (stretch)  
I get the A1 bricks from Cali then they gettin stretch (Forty)  
I just left Colombia now am back in di hood (in di hood)  
For lil miss go to Cali and my plug good (city)  
And we don't have no problems in our projects (no)  
Its a whole lot of foreigners in our project (foreigns)  
We got bentley coops and raris in di partments (rar)  
Black amigos runs game from the from the projects (mi amar)  
Quarter million dollars every week profit (come on)  
The hold zone sees Atlanta on the high shit (let's go)
