

## Put It in the Air

E-40

Just let the blunt burn free (blunt burn free, blunt burn free)  
Just let the blunt burn free (blunt burn free)  
Just put it in the air  
Roll up light up  
And let the blunt burn free (blunt burn free, blunt burn free)  
Just put it in the air (air, air)  
Eoll up light up  
And let the blunt burn free (blunt burn free, blunt burn)

They smell backward in the air they know the matches up in here  
We cut throat cut kush cloudin up the atmosphere  
Cutty burning simultaneously ain't shit swishy sweet  
Might burn us out like Dj C, scantinan weed  
Today I hit the shop and cop top shelf 3  
Light it up and throw us the T  
Regular or honey berry it don't matter to me  
Cut half banana pack with cherry pie key  
If I'm holdin we rollin and smokin  
Am shit red fizz na crip can't fist pokin  
Mord stone loading hard to keep my eyes open  
Feel like lightin another one up just to keep the cycle going  
Macy

Just put it in the air  
Roll up light up  
And let the blunt burn free (blunt burn free, blunt burn free)  
Just put it in the air (air, air)  
Roll up light up  
And let the blunt burn free (blunt burn free, blunt burn free)

Let me take a swing of this drink so it can help me think right quick  
Break down a little bit of this rhymeulent and rap it up in a switch  
Shout out to my nigga Greg out there in the A  
For sendin me this this pineapple mango blunt power spray  
That product right here will knock out any odour it comes in handy  
Especially if the popo banana people pull ya ova  
They can't stand me the love puttin  
Why you call em the the love puttin  
Cause they love puttin our ass in custody  
Right now I'm hard  
Watching the girls swim runnin through my contacts finna call a bitch to swi  
m in  
Abracadabra I don't know if you notice  
Been gettin my money lately my hussle game's ferocious  
You see my new mercedes it's domeless  
Go hard or go home or go homeless  
Money in my shoe box not no bank grinding  
Either that or my tubes starting selling that dang tied it

Just put it in the air  
Roll up light up  
And let the blunt burn free (blunt burn free, blunt burn free)  
Just put it in the air (air, air)  
Roll up light up  
And let the blunt burn free (blunt burn free, blunt burn free)

Smokin no cookie no pastry you seeing in HD

You niggas too gazy all my niggas is gravy  
Hello wavy baby strunt on 360  
Blowing on some gas win a filly wan niche  
Down Town in the city blowin next to the rollers  
I'm still down blowin ain't no slowing in my modem  
Easy on the galaxy run around no batteries  
When you like the punch you betta know you betta pass to me  
Sliding my porsche hottta than torch  
Bout that bullshit I'm running up on a nigga porch  
Full force that I unleashed lisa  
Goons on your squad for a piece a pizza

Just put it in the air  
Roll up light up  
And let the blunt burn free (blunt burn free, blunt burn free)  
Just put it in the air (air, air)  
Roll up light up  
And let the blunt burn free (blunt burn free, blunt burn free)  
Just put it in the air  
Roll up light up  
And let the blunt burn free (blunt burn free, blunt burn free)  
Just put it in the air (air, air)  
Roll up light up  
And let the blunt burn free (blunt burn free, blunt burn free)  
And let the blunt burn free (and let the blunt burn free)  
And let the blunt burn free (and let the blunt burn free)  
And let the blunt burn free (and let the blunt burn free)  
And let the blunt burn free (and let the blunt burn free)
