(2x):

My rear view mirror is vibrating
the beat keeps knockin down my rearview mirror

It's cookies in my swisher
boy like the blunt
it's dub 7s in my trunk bout to make s*** jump
i do my own stunts, this my favorite one
d**k stickin in the same position till the b***h c*m
& baby i'm the one, cold as a glacier
heart like coal in the soul of a gangster
& i can make you famous
better yet dangerous
courageous, leave the game so contagious
outrageous, amazin', i keep the sh** blazin'
can't nobody face 'em only money can persuade 'em,
bottles by the cases, models get wasted,
diamonds in my chain, some more up in my bracelet
pocket full of paper
miss me with that fake sh**
the 40 cal will spit till somethin' get hit
honor thy mother, but f*** these b***hes
i keep the game vicious, i'm ridiculous (i'm ridiculous)
