

This Shit Hard

E-40

This shit hard, this shit hard

Uh

Paper on my mind everyday bonafied hustler born and raised in the yai
Knock a fucker down if he got off in my way bust him in his crown with the h
effer s k

Coughing choking beating on my chest probably smoking nothing but the best o
f the best drinking toasting celebrating throwing up the west. Bitch rollin
money cars clothes the whole success

In and out of traffic like a boss trynna fuck on every bad bitch I come acro
ss holla at a player if ya looking for that soft I ain't no hater get ya twe
nty percent off

This shit hard

This go this go this go hard

This go this go this go hard

This go this go this go hard

This go this go this go hard

This shit hard

This go this go this go hard

This go this go this go hard

This go this go this go hard

This go this go this go hard

Money talking bullshit what I not a baller blocker and I don't throw soc
Sippin on his vodka in the club parking lot send you to the doctor tryna pla
y me for a mark

Gold around my neck and my arms car adios sounding off car alarms, slapping
forty wallas laugh contagious like a ya

Been listening to him rap since the day that I was born

Just a young fister having bread

Fuck with my bread nigga I'll have our head

Have your kid trick ya while you're laid up in your bed

Hit ya with the pistol mothafucker I ain't scared bitch!

This shit hard

This go this go this go hard

This go this go this go hard

This go this go this go hard

This go this go this go hard

This shit hard

This go this go this go hard

This go this go this go hard

This go this go this go hard

This go this go this go hard

Uh

In a mix like like a blender never sham I bout me man I ain't no pretender
24/7 spring fall summer winter finger on my weapon case a sucker try to ente
r

Almost out of weed man a eight is all I got time to recoup into dispensary s
pot

Lot of us are roc pulling up with the knock

Four fifteens looking out for the cops

Never been soft always been hard rolling down my window bout to holler at a

broad

Smoking white widow out the cuban cigar walking
The nintendo now the bitches in my car bitch! Bitch!

This shit hard

This go this go this go hard

This go this go this go hard

This go this go this go hard

This go this go this go hard

This shit hard

This go this go this go hard

This go this go this go hard

This go this go this go hard

This go this go this go hard
