

# Youngblood

E.M.D.

I guess I knew it, deep in my heart  
But I got lost in my echo  
In every minute, right from the start  
This time around I gotta let you know  
Ooooh, I've been searching high  
And low and now I found a way to go  
There's no way to stop me now

Call me youngblood, but I ain't wasting no time  
Going higher higher, youngblood  
I'm gonna follow my heart gonna walk the wire  
Through a minor sky I'm gonna see things eye to eye  
I'm a youngblood, call me youngblood

I wanna live, just for the day  
I know I'm not forever young  
You know it's you and noone else  
This time around I gotta let you know  
Ooooh, I've been searching high  
And low and now I found a way to go  
There's no way to stop me now

Call me youngblood, but I ain't wasting no time  
Going higher higher, youngblood  
I'm gonna follow my heart gonna walk the wire  
Through a minor sky I'm gonna see things eye to eye  
I'm a youngblood, call me youngblood

There's nothing in this world that I woun't do  
That I wouldn't do for you now  
You know it's true  
There's nothing in this world that I woun't do  
That I wouldn't do for you now  
You know it's true

Youngblood, youngblood

Call me youngblood, but I ain't wasting no time  
Going higher higher, youngblood  
I'm gonna follow my heart gonna walk the wire  
Through a minor sky I'm gonna see things eye to eye  
I'm a youngblood, I'm a youngblood  
Ooh  
Youngblood, youngblood  
Call me youngblood
