Angel Eyes

Last night I was Taking a walk along the river And I saw him Together with a young girl And the look that he gave her Made me shiver Cause he always used to Look at me that way And I thought Maybe I should walk Right up to her and say It's a game he Likes to play

Look into his angel eyes One look and You're hypnotized He'll take your heart And you must pay the price Look into his angel eyes You'll think you're In paradise And one day you'll Find out he Wears a disguise Don't look too deep Into those angel eyes

Sometimes when I'm lonely I sit and think about him And it hurts to remember All the good times When I thought I could never live without him And I wonder Does it have to be the same Every time When I see him Will it bring back All the pain How can I forget that name

Look into his angel eyes One look and You're hypnotized He'll take your heart And you must pay the price Look into his angel eyes You'll think you're In paradise And one day you'll Find out he Wears a disguise Don't look too deep Into those angel eyes **E-Rotic**
