

Don't Talk Dirty to Me

E-Rotic

Touch me with your love
And give me satisfaction
When we get into action
But don't talk dirty
Take me in your arms
And go for my obsession
And give me all your passion
Don't talk dirty to me
Oh touch me
But don't talk dirty to me
Oh baby touch me
Hey keep it cool cos that's the rule
I'm your lover baby not your fool
Everything I ever knew
So let my body talk to you
I'm in love with you I know it hurts
If lovers use four letter words
I'm gonna use my heart and soul
It's just to make you lose control
Touch me with your love
And give me satisfaction
When we get into action
But don't talk dirty
Take me in your arms
And go for my obsession
And give me all your passion
But don't talk dirty to me
Don't talk dirty to me
Oh Don't talk dirty to me baby
Just touch me
Oh You gotta touch me baby
Don't talk dirty
Don't wanna lose you - Hey keep close
Baby I'm the one - I'm the one you chose
I'll always treat you like a jewel
Tell you baby - Don't be cruel
We got the day and we got the night
To hold each other really tight
Whether you lie or sit or walk
Gonna let my body talk
Touch me with your love
And give me satisfaction
When we get into action
But don't talk dirty
Take me in your arms
And go for my obsession
And give me all your passion
But don't talk dirty to me
Don't talk dirty to me
Oh Don't talk dirty to me baby
Just touch me
Oh You gotta touch me baby
Don't talk dirty
Ooh give me some action
I need your satisfaction
Touch me with your love
And give me satisfaction

When we get into action
But don't talk dirty
Take me in your arms
And go for my obsession
And give me all your passion
Don't talk dirty to me
Touch me with your love
And give me satisfaction
When we get into action
But don't talk dirty
Take me in your arms
And go for my obsession
And give me all your passion
But don't talk dirty to me
Don't talk dirty to me
Oh Don't talk dirty to me baby
Just touch me
Oh You gotta touch me baby
Don't talk dirty
Oooh, Oooh, Oooh
