

Dynamite

E-Rotic

Come on take me on a ride
You're like dynamite
I want you baby
Give me action when we fly
But don't you, don't you
Don't you hurt me deep inside
I feel you're exploding baby
You're like dynamite
I want you, want you

You know we will take a ride
Make you see I'm dynamite
Your mind's exploding and your heart
Baby, it will fall apart
No-one will care for us
You know it's really dangerous
Gonna make you see tonight
A flash of dynamite

Come on take me on a ride
You're like dynamite
I want you baby
Give me action when we fly
But don't you, don't you
Don't you hurt me deep inside
I feel you're exploding baby
You're like dynamite
I want you, want you

Dadadeedumdum dadadeedumdumdum
Dadeedadadumdum
You shoot me to the sky
Dadadeedumdum dadadeedumdumdum
Dadeedadadumdum
It makes me wanna die

Go on and look into my eyes
Nothing we can't legalize
Baby, when I blow it up
We will really feel on top
No! You cannot escape
Hope you'll be in real good shape
The fire of hell you'll get tonight
The crash of dynamite

Come on take me on a ride
You're like dynamite
I want you baby
Give me action when we fly
But don't you, don't you
Don't you hurt me deep inside
I feel you're exploding baby
You're like dynamite
I want you, want you

Dadadeedumdum dadadeedumdumdum
Dadeedadadumdum

You shoot me to the sky
Dadadeedumdum dadadeedumdumdum
Dadeedadadumdum
It makes me wanna die

Ooh... ohhh...

Come on take me on a ride
You're like dynamite
I want you baby
Give me action when we fly
But don't you, don't you
Don't you hurt me deep inside
I feel you're exploding baby
You're like dynamite
I want you, want you

Dadadeedumdum dadadeedumdumdum
Dadeedadadumdum
You shoot me to the sky
Dadadeedumdum dadadeedumdumdum
Dadeedadadumdum
It makes me wanna die

Ooh... ohhh...
Ooh!
