Gimme gimme gimme your love (your love)
Gimme gimme gimme your heart (your heart)
Gimme gimme gimme your passion baby
Let your body take part
So let's go

Gimme gimme gimme your love
Baby heat me up
Gimme gimme gimme your smile
I want you
Gimme gimme gimme your body babe
And stay with me for awhile

I won't hold it back on you
Come on come on, our dreams come true
I want you so don't you deny
That you, you, you want to fly
Forever we can make it tonight
I really want to hold you tight
A little bit is not enough
So gimme gimme gimme your love

Oh baby
Gimme gimme gimme your love
'Cause I need it so
Gimme gimme gimme your heart
Come close and
Gimme gimme gimme your passion baby
Let your body take part
So let's go

Gimme gimme gimme your love
Baby heat me up
Gimme gimme gimme your smile
I want you
Gimme gimme gimme your body babe
And stay with me for awhile
So come on

Gimme gimme gimme your heart (your heart)

All you do is call to me
It's not so easy can't you see
I want you, but I want you too much
But I'm so wild 'till we touch
Oh baby give me all you've got
Come on let my mind get hot
Baby make my engine start
Gimme gimme gimme your heart

Oh baby
Gimme gimme gimme your love
'Cause I need it so
Gimme gimme gimme your heart
Come close and
Gimme gimme gimme your passion baby

Let your body take part
So let's go

Gimme gimme gimme your love
Baby heat me up
Gimme gimme gimme your smile

Gimme gimme gimme your body babe
And stay with me for awhile
