

Gimme Your Jimmy

E-Rotic

Hey girl move your ass
Turn me on that's right - i guess
Hey girl i wanna test
If you are better than all the
Move your hips - move your lips
Touch me with your fingertips
Let's feel again - that i'm a man
Baby i'm your greatest fan

So gimme your jimmy
Drivin' me mad
Oh man you are the maximum
I can get
And i - i wanna do it
Ten times a night
Oh baby release me
Please please me
So gimme your jimmy
Right on the spot
I'm not your skinny minny
I want it hot
Cos i - i wanna feel you
Feel you again
Oh baby please gimme - your jimmy

Gimme your jimmy
Ooh i wanna feel you

Hey girl make me yell
And if i do - don't break the spell
Hey girl let's get it right
Let's play the game of seek and hide
I miss your kiss - that's all it is
We don't need any simple quiz
Just need to feel - your love is real
Deliver and you've got a deal

So gimme your jimmy
Drivin' me mad
Oh man you are the maximum
I can get
And i - i wanna do it
Ten times a night
Oh baby release me
Please please me
So gimme your jimmy
Right on the spot
I'm not your skinny minny
I want it hot
Cos i - i wanna feel you
Feel you again
Oh baby please gimme - your jimmy
