

When they found you  
It was too late  
You took the last  
The last escape  
And I - I'm left crying  
The winds of change  
I feel them blow  
I wonder why  
Why did you go  
Miss you so

Jonny Y  
I can't find you  
In the land of bitter blue  
Jonny Y  
Why did you leave  
In the dark of the night  
Jonny Y - Jonny - Jonny Y

You didn't tell  
Anyone  
That all was said  
And felt and done  
You just moved on  
The last good bye  
I couldn't hear  
It's focused  
In a lonely tear  
Oh Jonny - I'm still here

Jonny  
Oh don't you know  
Jonny  
I miss you so  
Jonny  
Oh why did you  
Make me cry  
Oh tell me Jonny Y
