

## Makin' Love in the Sun

E-Rotic

Say do you wanna get close to madness  
Say do you wanna get close to the fire  
Why don't you meet me down by the seaside  
And join the beat in the heat of desire  
Hey what about you  
Would you like that too  
If I will do it - Hey what would you do  
Makin' love in the sun  
Just love in the sun  
Can't you see - You and me -  
We will sure have some fun  
Makin' love in the sun  
Just love in the sun  
You can feel - It is real - So like hearts on the run  
Say do you wanna get all or nothing  
Say do you wanna feel somethnig just great  
Why don't you join me for a sensation  
Oh please come soon - It's high noon - Don't be late  
Hey what about you  
Would you like that too  
If I will do it - Hey what would you do  
Makin' love in the sun  
Just love in the sun  
Can't you see - You and me -  
We will sure have some fun  
Makin' love in the sun  
Just love in the sun  
You can feel - It is real - So like hearts on the run  
Makin' love in the sun  
Just love in the sun  
Can't you see - You and me -  
We will sure have some fun  
Makin' love in the sun  
Just love in the sun  
You can feel - It is real - So like hearts on the run
