

Rock Me Baby

E-Rotic

Rock me baby; Rock me baby
Can't you see my body's shaking
Baby save me; Drive me crazy
From the love that we are making
Oh rock me baby - Oh come on

Hey girl what's your name
Shakin' your ass the closer the better
Hey you feel the heat
Stick it out; Take it in; Check it out; Dig it in
You know what to do
Lay it down and give it up to me
Oh I like the days
Likin it...

Rock me baby; Rock me baby
Can't you see my body's shaking
Baby save me; Drive me crazy
From the love that we are making
Is this love; Love that I'm feeling
I can't stop rockin'n'reelin'
Oh rock me baby - Oh-Oh Rock me baby
Can't you see my body's shaking - Rock me baby

Hey Babe I'm the guy
Startin' in slow and taking it faster
Okay that's the way
Jiggedy, Jiggedy, Jiggedy, Jiggedy jog
Ooh doctor love running a fever I'm in jeopardy
Oh babe touch me now
...

Rock me baby; Rock me baby
Can't you see my body's shaking
Baby save me; Drive me crazy
From the love that we are making
Is this love; Love that I'm feeling
I can't stop rockin'n'reelin'
Oh rock me baby - Oh-Oh Rock me baby
Can't you see my body's shaking - Rock me baby

Oh Rock me baby - Oh come on
Rock me baby; Rock me baby
Can't you see my body's shaking
Baby save me; Drive me crazy
From the love that we are making
Is this love; Love that I'm feeling
I can't stop rockin'n'reelin'
