

Falling In Love Again

Eagle Eye Cherry

I'm so tired of falling in love
Finding it easier to fall out
I can't deny it I feel it inside
I 'll keep its fire you can't hide

I'm fallin in love again
Ain't nothing I can do
Falling in love again
This time is with you
When I fall it's always the same
And I'm so tired of playing this game

It's so long now since I gave up my heart
I 've kept the light down I don't wanna get it hard
So let me tell me now I just wanna be sure
That you won't hurt me can you promise me that?

Got the tell me if you're gonna break my heart
If you don't wanna take the chance
And if it ain't true all it's gonna be
Is nothing but poor romance
So, give me that promise to hold on now
I'll never let you go
I've got to have something go on, oh
Then you know now
