

# If You Don't Know By Now

Eagle Eye Cherry

There's that place  
A good place to start  
There's that end  
That's the beginning of it all  
Are you that girl  
That's going to break my heart  
I don't wanna be me  
When disappointment makes it's call

All I know is that...

If you don't know by now  
All my hope it gone

You must know  
Know what you want  
And if you go  
It don't matter who is at fault  
Now I see  
I'm up against the wall  
Don't wanna be me  
When disappointment makes it's call

All I know is that...

If you don't know by now  
All my hope is gone

Oh yea...it's so hard to say  
Seems to be this day  
Seems to be that way  
I don't know what to tell you  
I don't know what to tell you  
It's so hard to believe that this could be the end

If you don't know by now  
All my hope is gone  
If you don't know by now  
Where did I go wrong
