When Mermaids Cry

Eagle Eye Cherry

She was drowned in suicide faithless lover cast aside This is how she came to be Lorelei of the sea Hopes destroyed she wanted to find certain death peace of mind Now you wonder who is she Lorelei of the sea

Many tales I've been told of sailors having died after seeing a mermaid known as Lorelei Faithless lover that is me and she siren of the sea So next time that the seagulls fly don't you cry sweet Lorelei

Seagulls fly when mermaids cry Those tears wont dry for Lorelei

The guilt is mine I was untrue the question is what am I to do All I know is I got to try to find sweet Lorelei Make amends for what's been done cause I believe that she's the one Try to find sweet Lorelei

There she is I hear her cry She's asking me if I will die

There ain't nothing I won't do for Lorelei Seagulls fly when mermaids cry Those tears wont dry for Lorelei
