

Bag O' Miracles

Eagles of Death Metal

Oh yes I got me some trouble lord
because I changed one woman's name,
oh yes I feel so sad and lonesome,
words will dress me all up in shame,
just like the good lord walk the wall so long ago
on the sea of gallilee,
suddenly a big ol' Bag O' miracles
come and lift that woman right off of me.

Amen

Oh yes I got me some trouble lord
because I changed one woman's name,
oh yes I feel so sad and lonesome,
words will dress me up all up in shame,
just like the good lord Jesus walk the wall so long ago
on the sea of gallilee,
suddenly a big ol' Bag O' miracles
come and lift that woman right off of me.

Amen...praise God!
