

## Silverlake (K.S.O.F.M.)

Eagles of Death Metal

So, when ya dance all night  
And you ain't around for sleepin'  
There's a few establishments for hidin' and a-peepin'

(It's no good)  
It's no good, but baby, it's all right.  
(It's all right)  
I'm gonna pick it up  
And we're gonna fricken dance tonight.

And all the real cool kids out in Silverlake are like  
It's so tight, it's so tight  
And all the real cool kids out in Silverlake are like  
It's so tight, it's so tight

So you don't know the guy who said he'd let us in  
Don't be uncool man, 'cos the owner's like my best friend.  
Make sure you tell him girl, just how important that I am  
I am from Silverlake and therefore I don't give a damn  
Don't you know who I am  
Don't you know who I am

And so we danced all night  
And ain't nobody sleepin'  
I know a place  
(Is it cool?)  
It's aw-ight  
(ight)

And the place I know  
Where I see your ass swing  
I'm like king shit of fuck mountain

And all the real cool kids out in Silverlake are like  
It's so tight, it's so tight  
And all the real cool kids out in Silverlake are like  
It's so tight, it's so tight

So if you date this guy he's gonna let us in  
Don't be uncool baby, you know you are my everything.  
Make sure you tell him, girl, just how important that I am  
I am from Silverlake and I am in a "cool band"  
Don't you know who I am  
Don't you know who I am

And all the real cool kids out in Silverlake are like  
It's so tight, it's so tight  
And all the real cool kids out in Silverlake are like  
It's so tight, it's so tight

OK, I'm not the guy  
I might have said I am  
Its almost closing time c'mon, man  
Please just let me in.

Can you not the see the style of hipster  
I most surely am

I'm trying twice as hard as anyone you just let in.

Don't you know who I am? (I have never seen you before)

Don't you know who I am? (I have never seen you before)

Don't you know (Who I am?)

(I have never seen you before)

Don't you know (Who I am?)

Don't you know (What the hell you've seen me before)

Don't you know (Who I am?)

Don't you know (What the hell you've seen me before)

I DON'T KNOW WHO I AM!
