

The Deuce

Eagles of Death Metal

I can't be foolin' I can't take no chance
'cause when my feet movin' I sure can dance
I've got to move I just can't stop
When I see the deuce yeah she's lit to pop oh
Yeah the deuce can boogie

Me and the deuce yeah we hit the floor then
You know the boogie is the rock'n'roll and
I've got to dance I just can't stop
When I see the deuce yeah she's lit to pop oh
Yeah the deuce can boogie
You know the deuce can boogie

Don't need no schoolin' just need tight pants
Oh no, no fashion victims of circumstance
With attitude that just won't stop
When I see the deuce yeah she's lit to pop oh
Yeah the deuce can boogie
You know the deuce can boogie
