

Wastin' My Time

Eagles of Death Metal

Wastin' my time, lord
Wastin' my time
No ambition but to waste some more
Wastin' my time, lord, wastin' my time
Wastin' my time, wastin' my time...

Passin' me by, lord, passin' me by
Time ain't waitin' just movin' on
Passing me by, lord, passin' me by
Passin' me by, passin' me by

Wastin' my time, lord
Wastin' my time
No ambition but to waste some more
Wastin' my time, lord, wastin' my time
Wastin' my time, wastin' my time...

Marble and stone, lord, marble and stone
I keep losin' won't never win.
Marble and stone, lord, marble and stone
Marble and stone, marble and stone

Passin' me by, lord, passin' me by
Time ain't waitin' just moving on
Passing me by, lord, passin' me by
Passin' me by, passin' me by

Wastin' my time, lord
Wastin' my time
No ambition but to waste some more
Wastin' my time, lord, wastin' my time
Wastin' my time, wastin' my time...

Wastin' time my time, wastin' my time
