

# The Girl From Yesterday

Eagles

It wasn't really sad...  
But maybe it just...  
He packed his...  
And she became the girl...

She doesn't know...  
She doesn't know what's wrong...  
She only knows...  
In waiting...

And she doesn't count...  
That she cried while...  
But she knows deep...  
That he'll be back...
