

Let's be honest cause truthfully  
At the rate I'm moving, you gonna to have to get used to me  
This sauce is the weakest, tang and my three step  
Often rejected cause I reject the reject  
Garage band flow needs no reasoning  
Y'all niggas tasteless, beef no seasoning  
C4's eating them proceed to the exit  
Ends with a L-Y, starts with a S, yes  
Him without a winner is Clark Kent without a cleft chin  
Superman reference of how high I keep stepping  
Whoa, I go harder than standardized testing  
Bars on lock my developments arrested  
I'm the bestest, on a bad day I spit asbestos  
Yeah, yes, impressive y'all steady coming in second  
Fuck V-necks I'm the rapper to invest in  
My flow ends recessions, I'm fresh as Crest breath is  
Kay, I'm tryna tell you I'm superior  
Cardiac flow what you're hearing in my material is heart  
Covered in ego, I freeze MCs zero degrees below  
When it's comes to alter-ego's, I got at least four  
But they the reason I'm always ready, listo  
Aight I'm Sly-  
lingual, eyes on the prize, I'm fly make eyes twinkle  
I been dope, put it on your grandmother's wrinkles  
Chip on my shoulder like I'm dieting with Pringles  
I brush it off quick like H to the O-V  
Life is but a beach chair these nigga's folding
