(Cough)

Fuck... Yo, I gotta stop smoking backwoods

"How you doing?" And what's your motive, ho?

I only trust these bitches bout as far as I can throw 'em  
Trying to pay my momma rent, figure that's just what I owe her  
I been trouble since I tumbled out that stroller  
Strollin', easy down this narrow path, beefin' with your scary  
ass

'Preme got my little niggas cheesing off the cherry ad  
And nigga, that's a great lunch  
Poppa swamp and stomping with the skate fucks  
Heavy handing tracks until the day the fucking train come  
Raised up, where every mouth that speak the truth get taped shu  
t

Peep the evening news, my nigga, we don't do the same stuff  
Kiwis couldn't take us, boy, I'm jogging around these bases  
Niggas pitches need to change, I separated from my main one  
It's just another day, another nigga's bitch to face fuck  
I been like this since the Motorola Razr

What a bastard that baby was

Little mad nigga missing dad, never praying much  
Right around the same time his grandmama drank a bunch  
Take the bus, take a niggas seat like it was made for me  
I got this nigga Da\$h with me, he sipping on some maple leaf  
I'm only happy when there's static in the air  
Cause the fair weather fake to me

Living in the scope, hairs crossed like adjacent streets  
Dare a nigga think it's sweet, never, bitches funny boy  
You berries and you honey for the bear that's here to tear and  
eat

Run a niggas pockets like some errands, make it hasty  
I hope the sheriff keep away from me  
Hope the sheriff keep away from me  
Hope the sheriff keep away from me
