

## Love Don't Care

Earl Thomas Conley

I'm a lonely rider  
She's the sole survivor of this love affair  
But she don't care

She's a real heart breaker  
And I can't find a taker  
No, that can compare  
'Cause she's so rare

She never let me hurt for love  
She gave me all she had  
But that was only long enough  
To go from good to bad

Oh, but love don't care whose heart it breaks  
It don't care who gets blown away  
If it all falls through as a bad mistake  
Love don't care whose heart it breaks

I can still remember  
Every time I see her, I go back in time  
And lose my mind

Yeah, I'm a good pretender  
I just can't believe her heart's no longer mine  
It's so unkind

She never let me hurt for love  
She gave me all she had  
But that was only long enough  
To go from good to bad

Oh, but love don't care whose heart it breaks  
It don't care who gets blown away  
If it all falls through as a bad mistake  
Love don't care whose heart it breaks  
No, love don't care whose heart it breaks

Love don't care  
No, love don't care  
Love don't care  
No, love don't care
