Love Don't Care

Earl Thomas Conley

I'm a lonely rider She's the sole survivor of this love affair But she don't care

She's a real heart breaker And I can't find a taker No, that can compare 'Cause she's so rare

She never let me hurt for love She gave me all she had But that was only long enough To go from good to bad

Oh, but love don't care whose heart it breaks It don't care who gets blown away If it all falls through as a bad mistake Love don't care whose heart it breaks

I can still remember Every time I see her, I go back in time And lose my mind

Yeah, I'm a good pretender I just can't believe her heart's no longer mine It's so unkind

She never let me hurt for love She gave me all she had But that was only long enough To go from good to bad

Oh, but love don't care whose heart it breaks It don't care who gets blown away If it all falls through as a bad mistake Love don't care whose heart it breaks No, love don't care whose heart it breaks

Love don't care No, love don't care Love don't care No, love don't care
