

Somewhere Between Right And Wrong

Earl Thomas Conley

Well I met in a small town bar not far from home
She was having second thoughts about a man who was always gone
Said, "The only way to get to him was a telephone"
So she held on to me when she couldn't hold her own

She said, "I can be had but I can't be bought
And I can be bad Lord if I don't get caught
But I'd rather be loved than left alone
Than be here in the middle some where between right and wrong"

She said, "You know I never was the kind to spread it around
But I'll let you get to me as long as you don't let me down"
Said, "I got the kind of love it takes to make if feel slow
But don't care how you get me there just long as I go"

She said, "I can be had but I can't be bought
And I can be bad Lord if I don't get caught
But I'd rather be loved than left alone
Than be here in the middle some where between right and wrong"

Yeah her kind of love keeps me coming back time after time
Just like a beautiful song I can't get off my mind
But I worry a lot about love you have to wait on
And I got second thoughts about a woman who's always gone

She said, "I can be had but I can't be bought
And I can be bad Lord if I don't get caught
But I'd rather be loved than left alone
Than be here in the middle some where between right and wrong"
