Take your red dress, leave the hanger Lose the sadness, use the anger You might need it 'fore you get there

Oh, Amanda
You don't have to say goodbye
Just go Amanda
Ain't no way you didn't try
Woh, oh all right

Tell your sister, tell your brother Take a picture to your mother You've been livin' undercover

Oh, Amanda
You don't have to say goodbye
Just go Amanda
Ain't no way you didn't try
Woh, oh all right

Oh, Amanda You don't have to say goodbye Just go Amanda Ain't no way you didn't try Woh, oh all right

Oh, Amanda You don't have to say goodbye Just go Amanda Ain't no way you didn't try Woh, oh all right

Oh, Amanda Oh, Amanda
