

Johnny Too Bad

Steve Earle

Say, walkin' down the road with a pistol in your waist
Johnny too bad, woah, oh, oh
Walkin' down the road with a ratchet in your waist
Johnny too bad, woah, oh, oh

You're just robbin' and stabbin', and lootin', and shootin'
Why you're too bad?
Just robbin' and stabbin', and lootin', and shootin'
Why you're too bad?

One of these days when you hear the voice say, "Come
Where you gonna run to, woah, oh, oh?"
One of these days when you hear the voice say, "Come
Where you gonna run to, woah, oh, oh"

You're just runnin' to the rock for refuge
But there will be no rock
You're just runnin' to the rock for rescue
And there will be no rock

Walkin' down the road with a pistol in your waist
Johnny too bad, woah, oh, oh
Walkin' down the road with a ratchet in your waist
Johnny too bad, woah, oh, oh

You're just robbin' and stabbin', and lootin', and shootin'
Why you're too bad?
You're just robbin' and stabbin', and lootin', and shootin'
Why you're too bad?

You're just robbin' and stabbin', and lootin', and shootin'
Why you're too bad?
You're robbin' and stabbin', and lootin', and shootin'
Why you're too bad?

You're just robbin' and stabbin', and lootin', and shootin'
Why you're too bad?
You're just robbin' and stabbin', and lootin', and shootin'
Why you're too bad?

You're just robbin' and stabbin', and lootin', and shootin'
Why you're too bad?
You're just robbin' and stabbin', and lootin', and shootin'
Why you're too bad?

Robbin' and stabbin', and lootin', and shootin'
Why you're too bad?
Robbin' and stabbin', and lootin', and shootin'
Why you're too bad?

Robbin' and stabbin', and lootin', and shootin'
Why you're too bad?
Robbin' and stabbin', and lootin', and shootin'
Why you're too bad?

Robbin' and stabbin', and lootin', and shootin'
Why you're too bad?

Robbin' and stabbin', and lootin', and shootin'
Why you're too bad?

Robbin' and stabbin', and lootin', and shootin'
