

Rivers of Babylon

Steve Earle

By the rivers of Babylon
Where he sat down
And there he wept
When he remember Zion

It was the wicked

Carry us away captivity
Require from us a song
How can we sing King Alfa's song
In a strange land

... brothers
Sing your song of freedom

... sisters

By the rivers of Babylon
Where he sat down
And there he wept
When he remember Zion

It was the wicked

Carry us away captivity
Require from us a song
How can we sing King Alfa's song
In a strange land

... my brother

By the rivers of Babylon
Where he sat down
And there he wept
When he remember Zion

By the rivers of Babylon
Where he sat down
And there he wept
When he remember Zion

By the rivers of Babylon
Where he sat down
And there he wept
When he remember Zion
