

You Belong to Me

Steve Earle

Lately I've been feeling a little uneasy
So I run straight home to you
It's been cold as hell and you just can't tell
What a girl might do

I made a whole lot of promises baby
But none of my dreams came true
And it's you that paid
And I'm so afraid that I'm losing you

But you belong to me
You belong to me
You belong to me
Me, baby, me

Now your mama said
You could do better than me
Baby I know that's true
But you believed me instead
Every word I said, and I did too

But every day's a little bit harder
Out there no matter what I do
Well I could carry the world on my shoulders girl
Long as I got you

But you belong to me
You belong to me
You belong to me
Me, baby, me

You belong to me
You belong to me
You belong to me
Me, baby, me

Well my shining armour is rusted and worn
There's a heart inside here
Entrusted and sworn to you
Just tell me baby what I need to do
I can win you over again if you want me to

But you belong to me
You belong to me
Me, baby, me

Well my shining armour is rusted and worn
There's a heart inside here
Entrusted and sworn to you
Just tell me baby what I need to do
I can win you over again if you want me to

But you belong to me
You belong to me
Me, baby, me

You belong to me

Me, baby, me
...
