

## Answers & Questions

Earlimart

I'm shaking hands with the one imperfect  
The one imperfect side of you.  
I know the answers, I know the questions,  
I always thought that you did too.

I'm wide awake I'm watching you  
All night long, tell me what to do.  
I'm wide awake I'm watching you  
All my lies they tell the truth.

A family tradition to teach you a lesson  
Of self control everybody else knows.  
I know the answers, I know the questions -  
If this is nowhere now it shows.

I'm wide awake I'm watching you  
All night long, tell me what to do.  
I'm wide awake I'm watching you  
All those lies you told them too.
