

## For The Birds

Earlimart

I'll watch over you from above  
Watch with signs of your love  
And heaven's not the same in the rain  
It's just a sad old tale like today

But I'm already in your heart  
Said I'm already in your heart  
Then I knew right from the start  
That I'm already in your heart

Well it's getting late, we should stay here  
But you're on the phone, miles away  
And though I know it's not the same  
We can fall asleep, dream of ways

But you're already in my heart  
Said you're already in my heart  
And I knew right from the start  
That you're already in my heart
