

Lazy Feet 23

Earlimart

Lazy, hey, lazy feet
Out there dancing with me
You'll be alright
Twenty-three

Oh, don't look back
It's not that good
Oh, don't look back
It's just not that good

We'll burn that town
We'll go to sleep
Inside our dreams
We'll do our best
Yeah, twenty-three

Oh, don't look back
It's not that good
Oh, don't look back
It's just not that good
