What If

EarlyRise

Let's say,
I fell into place, I feel much better,
I don't remember a thing.
Would it make you think of me as normal again?

Let's say,
I found a way to climb up this ladder,
Won't stay down here for long.
Would it make me worthy in your eyes?

You act as if you have no weaknesses,
I'm sorry I'm not perfect like you.

What if,
I went and told everyone my story,
And how you treated me?
Would it make you feel ashamed?

No, I'm not being sarcastic,
Would you like me to erase
Who I am, where I came from,
What you did to me?

You act as if you have no weaknesses,
I'm sorry I'm not perfect like you.
Don't you get tired of wearing your mask?
I'm sorry I'm not careless like you.

No, I'm not being revengeful,
Just trying to find out
Who you are, where you came from,
What I did to you.

You act as if you have no weaknesses,
I'm sorry I'm not perfect like you.
Don't you get tired of wearing your mask?
I'm sorry I'm not careless like you.
