Night of justice, knight of justice. Liberations crusades begun

Your laws will have no meaning past

the setting of the sun. Demons feeding off of the innocents pai  $\ensuremath{\text{n}}$ .

Generations of opression - one generation will break this chain. Emancipation from the hands of the deranged.

Vengeance for the dead, freedom for the enslaved. From love com es this

hatred. Feel the rage, antagonist of the helpless.

Tormented inside a cage. I refuse to turn my back,

I refuse to shut my

eyes. Steadfast against the deluge of evil of man's devise.

The quest for their freedom wont't cease until it's won.

Reconcile your sins or your blood will have to run.

You have no respect for life. Violence you can understand. You turn to

fell the pain. Retribution, from ny hand!

You have no respect for life. Violence you can understand.

You turn to fell the pain.

Retribution, from my hand! A bullet for every demon.

Only your blood can cleanse you of your sin. Your actions prove d

that you value profit over others lifes.

Images of your mutilated victims as I line you in my sight.

The wrath of sanity unleashed. Justice on Judgement Night.
