

# I Can Feel It In My Bones

Earth, Wind & Fire

I can feel it in my bones  
Love is just around the corner  
You don't have to be alone  
Only if you really wanna

Well, I'm gonna say that one more time this evenin'

I can feel it in my bones  
Love is just around the corner  
And you don't have to be alone  
No no no no, no no no  
Only if you really wanna

La la la la  
La la la la la  
La la la la la

Uh huh, uh huh  
Yeah yeah yeah yeah  
Uh huh, uh huh  
Yeah yeah yeah yeah  
Uh huh, uh huh  
Yeah yeah yeah yeah

Listen now  
I can feel it, can't you feel it? Come on  
I can feel it way down in my bones

I can feel it in my bones  
Love is just around the corner  
(Yes it is now, yeah)  
You don't have to be alone  
Only if you really wanna

(I can feel it in my bones, yeah)  
Love is just around the corner  
(You don't, you don't, you don't)  
(You don't have to be alone, no no no no)  
Only if you really wanna

Wake up one mornin'  
Find a brand new day  
Good love vibrations  
Everything's goin' in your way

One day you'll see  
A sky of blue  
(Yeah yeah)  
I know the sun's  
Gonna shine on you  
(Yeah yeah)

Uh huh, uh huh  
Yeah yeah yeah yeah  
Uh huh, uh huh  
Yeah yeah yeah yeah  
Uh huh, uh huh

Yeah yeah yeah yeah

Love is around the corner  
Love is around the corner, yeah  
Love is around the corner, yeah  
Yeah yeah yeah yeah

I can feel it, can't you feel it? Come on  
I can feel it way down in my bones

I can feel it, can't you feel it? Come on  
I can feel it way down in my bones

I can feel it, can't you feel it? Come on  
I can feel it way down in my bones

I can feel it, can't you feel it? Come on  
I can feel it way down in my bones
