

eyes down  
for a circle  
for a while  
eyes down

i lie i lie  
i lie i lie

not that these dreams will betray me

dig in  
for the long-haul  
wear a smile  
dig in

i lie i lie  
i lie i lie

see the shit rise to the surface

i lie i lie  
i lie i lie

not that these dreams will betray me
